

An opportunity for a
New Beginning and Job Perspectives
in Albania and Germany

ENG

Are you searching for a job in Albania, or are you looking for opportunities offered in Germany?

We offer counselling on employment opportunities or vocational education in Albania, but also in Germany.

Have you returned from abroad?

We support your reintegration in Albania.

Are you trying to start afresh in Albania, but having difficulties with your reintegration? Do you need counselling and support?

We provide psycho-social support, counselling on employment opportunities, vocational training, and career support.

The German Information Centre on Migration, Vocational Training and Career in Albania (DIMAK Albania) provides information and individual counselling to everyone looking for employment or attending vocational education or qualification courses in Albania and Germany. Furthermore, DIMAK Albania provides information and counselling to everyone preparing to regularly migrate in Germany.

In addition, DIMAK provides psycho-social and professional counselling and support to persons returned from abroad to help them reintegrate. Therefore, the centre works to facilitate your fresh start after returning to Albania.

In the sectors of employment, vocational education and career in Albania, the centre closely cooperates with the National Agency for Employment and Skills, which provides counselling, information, and guidance to everyone looking for a job, as well as employment mediation.

Our Services for You...

...if you are looking for employment opportunities or to attend vocational education in Albania

- Information and counselling on vocational education opportunities, on choosing an occupation and on the perspectives in the labour market
- Information on vocational qualifications development and trainings on entrepreneurship, as well as referral to relevant job offers
- Information on different services provided by public institutions
- Assistance in preparing the application folder and preparing for the job interviews
- Job fairs
- Counselling on trainings for new entrepreneurs
- Information and referral to centres providing vocational qualification or short-term training in different areas

...if you have returned or wish to return to Albania

- Counselling based on individual needs regardless if you are still abroad or have returned to Albania
- Information on qualification or employment opportunities in the labour market in Albania
- Information and referral to support programmes and trainings in the area of social and professional reintegration
- Contact and referral with offices, institutions and other counselling structures of non-profit organizations
- Support and counselling during active job searching and contact with different structures supporting young entrepreneurs

...if you are looking to migrate

- Information on regular migration criteria
- Trainings in preparing the application folder and preparing for job interviews
- Referral counselling
- Dedicated information sessions on different opportunities in Germany (employment, training, study, different courses etc.)
- Information on seasonal employment in Germany

All services are provided for free!
